Pages of the Application that are not revised or otherwise changed may not be resubmitted, except that documents executed by third parties must be submitted in their entirety, including all attachments and exhibits referenced therein, even if only a portion of the original

document was revised. Notwithstanding the foregoing, any deficiencies in the mandatory elements set forth in subsection (14) below can be identified at any time prior to sending the final scores to Applicants and will result in rejection of the Application. The Corporation shall then transmit final scores to all Applicants.

(10) Based on the order of the ranked Applications after informal appeals and the availability of State Bond Allocation designated by the Board of Directors for multifamily housing, the Board of Directors shall designate Applications for funding and offer the opportunity to enter Credit Underwriting, and shall designate those that are below the funding line on the MMRB ranked list. Failure to meet the deadlines established by such timeline shall result in the immediate termination of Credit Underwriting activities and the Application shall be moved to the bottom of the ranked list. Applicants electing to proceed to Credit Underwriting without designation for funding do so at their own risk, and said opportunity does not ensure that the Application will be funded. Any Applicant that declines invitation to Credit Underwriting, when invited by the Board of Directors, shall be removed from the ranked list.

(11) Except for Local Government-issued Tax-Exempt Bond-Financed Developments that submit a separate Application for non-competitive Housing Credits, Applications shall be limited to one submission per subject property. Applications, proximity, chain of title, or other information available to the Corporation that the properties are part of a common or related scheme of development. If two or more Applications are considered to be submissions for the same Development, the Corporation will reject all such Applications except the Application with the highest (worst) lottery number. The Application(s) with the lowest lottery number(s) will still be rejected even if the Applicant withdraws the Application with the highest (worst) lottery number. Financial Beneficiary, as defined in Rule 67-21.002, F.A.C., does not include third party lenders, third party management agents or companies, housing credit syndicators, Credit Enhancers who are regulated by a state or federal agency and who do not share in the profits of the Development or contractors whose total fees are within the limit described in Rule 67-21.007, F.A.C.

- (a) Has engaged in fraudulent actions;
- (b) Has materially misrepresented information to the Corporation regarding any past or present Application or Development;
- (c) Has been convicted of fraud, theft or misappropriation of funds;
- (d) Has been excluded from federal or Florida procurement programs; or
- (e) Has been convicted of a felony;

And that such action substantially increases the likelihood that the Applicant will not be able to produce quality affordable housing, the Applicant and any of the Applicant's Affiliates will be ineligible for funding or allocation in any program administered by the Corporation for a period of up to two (2) years, which will begin from the date the Board

of Directors makes such determination. Such determination shall be either pursuant to a proceeding conducted pursuant to Sections 120.569 and 120.57, F.S., or as a result of a finding by a court of competent jurisdiction.

(13) The Corporation shall reject an Application if, following the submission of the additional documentation, revised pages and other information as the Applicant deems appropriate as described in subsection (6) above:

(a) The Development is inconsistent with the purpose of the MMRB Program or does not conform to the Application requirements specified in this rule chapter;

(b) The Applicant fails to achieve the threshold requirements as detailed in these rules, the applicable Application and Application instructions;

(c) The Applicant fails to file all applicable Application pages and exhibits that are provided by the Corporation and adopted under this rule chapter;

(14) Notwithstanding any other provision of these rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application Deadline. Failure to submit these items in the Application at the time of the Application Deadline shall result in rejection of the Application without opportunity to submit additional information. Any attempted changes to these items will not be accepted. Those items are as follows:

(a) Name of Applicant; notwithstanding the foregoing, the name of the Applicant may be changed only by written request of an Applicant to Corporation staff and approval of the Board after the Applicant has been invited to enter credit underwriting;

(d) Applicant applying as a Non-Profit or for-profit organization;

(e) Site for the Development; notwithstanding the foregoing, after the Applicant has been invited to enter credit underwriting and subject to written request of an Applicant to Corporation staff and approval of the Corporation, the site for the Development may be increased or decreased, provided the Tie Breaker Measurement Point is on the site and the total proximity points awarded during scoring are not reduced;

(f) Development Category;

(g) Development Type;

(h) Designation selection;

(i) Total number of units; notwithstanding the foregoing, the total number of units may be increased after the Applicant has been invited to enter credit underwriting, subject to written request of an Applicant to Corporation staff and approval of the Corporation;

(j) Funding request, except for Taxable Bonds and as provided in subsection 67-21.003(10), F.A.C.; notwithstanding the foregoing, requested amounts exceeding the Corporation and program funding limits can be reduced by the Applicant to reflect the maximum request amount allowed (and no other changes to this amount will be allowed);

(k) The Total Set-Aside Percentage as stated in the last row of the total set-aside breakdown chart for the program(s) applied for in the Set-Aside Commitment section of the Application;

(l) Submission of one original hard copy with the required number of photocopies of the Application by the Application Deadline;

(m) Payment of the required Application fee and TEFRA fee by the Application Deadline.

(n) The Application labeled “Original Hard Copy” must include a properly completed Applicant Certification and Acknowledgement form reflecting original signatures.

All other items may be submitted as cures pursuant to subsection (6) above.

With regard to paragraphs (a) and (b) above, the Board shall consider the facts and circumstances of each Applicant’s request and any credit underwriting report, if available, prior to determining whether to grant the requested change.

(15) A Development will be withdrawn from funding and any outstanding commitments for funds will be rescinded if at any time the Board of Directors determines that the Applicant’s Development or Development team is no longer the Development or Development team described in the Application, and the changes made are prejudicial to the Development or to the market to be served by the Development.

(16) If an Applicant or any Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer has any existing Developments participating in any Corporation programs that remain in non-compliance with the IRC, this rule chapter, or applicable loan documents, and any applicable cure period granted for correcting such non-compliance has ended as of the time of submission of the Application or at the time of

issuance of a Credit Underwriting Report, the requested allocation will, upon a determination by the Board of Directors that such non-compliance substantially increases the likelihood that such Applicant will not be able to produce quality affordable housing, be denied and the Applicant and the Affiliates of the Applicant or Developer will be prohibited from new participation in any of the Corporation's programs for the subsequent cycle and continuing until such time as all of their existing Developments participating in any Corporation programs are in compliance.

(17) When two or more Applications receive the same numerical score, the Applications will be ranked as outlined in the Application instructions.

(18) At no time during the Application, scoring and appeal process may Applicants or their representatives contact members of the Board of Directors concerning their own Development or any other Applicant's Development. At no time from the Application Deadline until after issuance of the final scores as set forth in subsection (9) above, may Applicants or their representatives verbally contact Corporation staff concerning their own Application or any other Applicant's Application. If an Applicant or its representative does contact a member of the Board of Directors in violation of this section, the Board of Directors shall, upon a determination that such contact was deliberate, disqualify such Applicant's Application.

(19) Applicants may withdraw an Application from consideration only by submitting a written notice of withdrawal to the Corporation Clerk. Applicants may not rescind any notice of withdrawal that was submitted to the Corporation Clerk. For ranking purposes, the Corporation shall disregard any withdrawal that is submitted after 5:00 p.m., Eastern Time, 14 Calendar Days prior to the date the Board of Directors is scheduled to convene

to consider approval of the final rankings of the Applications and such Application shall be included in the ranking as if no notice of withdrawal had been submitted. After the Board of Directors has approved the final ranking, any notice of withdrawal submitted during the time period prohibited above and before the Board of Directors approves the final ranking, shall be deemed withdrawn immediately after Board approval of the final ranking. If an Applicant has applied for two or more programs, the withdrawal by the Applicant from any one program will be deemed by the Corporation to be a withdrawal of the Application from all programs.

(20) The name of the Development provided in the Application may not be changed or altered after submission of the Application during the history of the Development with the Corporation unless the change is requested in writing and approved in writing by the Corporation. The Corporation shall consider the facts and circumstances of each Applicant's request and any credit underwriting report, if available, prior to determining whether to grant such request.

(21) If an Applicant or any Affiliate of an Applicant has offered or given consideration, other than the consideration to provide affordable housing, with respect to a local contribution and this is discovered prior to Board of Directors approval of the ranking, the Corporation shall reject the Application and any other Application submitted by the same Applicant and any Affiliate of the Applicant. If discovered after the Board of Directors approves final ranking, any tentative funding or allocation for the Application and any other Application submitted in the same cycle by the same Applicant and any Affiliate of the Applicant will be withdrawn. Such Applicant and any of such Applicant's Affiliates will be ineligible for funding or allocation in any program administered by the

Corporation for a period of up to two years, which will begin the date the Board of Directors issues a final order on such matter in a proceeding conducted pursuant to Sections 120.569 and 120.57, F.S.

(22) The Corporation shall initiate TEFRA Hearings on the proposed Developments whose Applications were Received by the Application Deadline. Neither the TEFRA Hearing, the invitation into Credit Underwriting, nor the Acknowledgment Resolution obligate the Corporation to finance the proposed Development in any way.

(23) Upon receipt of the Credit Underwriting Report, the Corporation shall submit the Application to its Financial Advisor for a preliminary recommendation of the method of bond sale for each Development pursuant to Rule 67-21.0045, F.A.C.

(24) Proposed Developments that are ranked, but not selected by the Board of Directors to enter Credit Underwriting, shall remain on the ranked list in the event State Bond Allocation becomes available to fund additional Developments. If the current year's State Bond Allocation designated by the Board of Directors for the MMRB Program is insufficient to fully finance a Development, subject to the provisions of subsection 67-21.003(10), F.A.C., permitting reduction of the requested amount, a new Application must be filed to be eligible for a future year's State Bond Allocation.

(25) The Corporation shall notify the Applicant, in writing, of the Board of Directors determination related to approval of the Credit Underwriting Report and require the Applicant to submit one-half of the Good Faith Deposit within 7 Calendar Days from the receipt of such notice.

(26) Upon favorable recommendation of the Credit Underwriting Report and preliminary recommendation of the method of bond sale from the Corporation's

Financial Advisor, the Board of Directors shall designate by resolution the method of bond sale considered appropriate for financing. The Board of Directors shall consider authorizing the execution of the Loan Commitment and shall consider final Board of Directors approval reserving State Bond Allocation for a Development. Requests for Taxable Bonds shall be considered by the Board of Directors in an amount recommended by the Credit Underwriter. The Board of Directors shall also assign a bond underwriter, structuring agent, or Financial Advisor and any other professionals necessary to complete the transaction. Staff shall assign the Corporation Bond Counsel and Special Counsel and Trustee as needed.

(27) Following receipt of one-half of the Good Faith Deposit, the Corporation's assigned Special Counsel shall begin preparation of the Loan Commitment.

(28) Upon execution of a Loan Commitment, Applicant shall pay the balance of the Good Faith Deposit and the Corporation shall authorize Bond Counsel and Special Counsel to prepare the Program Documents.

(29) For computing any period of time allowed by this rule, the day of the event from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included unless it is a Saturday, Sunday or legal holiday, in which event the period shall run until the end of the next day which is neither a Saturday, Sunday or legal holiday.

67-21.0035 Applicant Administrative Appeal Procedures.

(1) At the conclusion of the review and scoring process established by Rule 67-21.003, F.A.C., each Applicant will be provided with its final score and notice of rights, which shall constitute the point of entry to contest any issue related to the Applicant's Application for the MMRB Program.

(2) Each Applicant that wishes to contest its final score must file a petition with the Corporation within 21 Calendar Days after the date the Applicant receives its notice of rights. The petition must conform to subsection 28-106.201(2) or 28-106.301(2), and subsection 67-52.002(3), F.A.C., and specify in detail each issue and score sought to be challenged. If the petition does not raise a disputed issue of material fact, the challenge will be conducted pursuant to Section 120.57(2), F.S. If the petition raises one or more disputed issues of material fact, a formal administrative hearing will be conducted pursuant to Section 120.57(1), F.S. At the conclusion of any administrative hearing, a recommended order shall be entered by the designated hearing officer which will then be considered by the Board of Directors.

(3) Any Applicant who wishes to challenge the findings and conclusions of the recommended order entered pursuant to a Section 120.57(2), F.S., proceeding concerning its own Application shall be allowed the opportunity to submit written arguments to the Board of Directors. Any written argument should be typed and double-spaced with margins no less than one inch in either Times New Roman 14-point or Courier New 12-point font and may not exceed five (5) pages, excluding the caption and certificate of service. Written arguments must be filed with Florida Housing Finance Corporation's Clerk at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, no

later than 5:00 p.m., Eastern Time, no later than five (5) Calendar Days from the date of issuance of the recommended order. Failure to timely file a written argument shall constitute a waiver of the right to have a written argument considered by the Board of Directors. Parties will not be permitted to make oral presentations to the Board in response to recommended orders.

(4) Following the entry of final orders in all petitions filed pursuant to Section 120.57(2), F.S., and in accordance with Rule Chapter 67-21, F.A.C., the Corporation shall issue final rankings. For an Applicant that filed a petition pursuant to Section 120.57(1), F.S., which challenged the scoring of its own Application but has not had a final order entered as of the date the final rankings are approved by the Board of Directors, the Corporation shall, if any such Applicant ultimately obtains a final order that modifies the score so that its Application would have been in the funding range of the applicable final ranking had it been entered prior to the date the final rankings were presented to the Board of Directors, provide the requested allocation from the next available allocation, whether in the current year or a subsequent year. Nothing contained herein shall affect any applicable Credit Underwriting requirements.

(5) Each Applicant will be provided with a final ranking of all Applications and notice of rights, which shall constitute the point of entry to contest any ranking or scoring issue related to any other Applications for the MMRB Program. An Applicant that wishes to contest the final ranking or score of another Applicant may do so only if:

(a) The competing Applicant files a petition on or before the 21st Calendar Day after the receipt of the notice of rights pursuant to this subsection (5). The petition must

conform to subsection 28-106.201(2) or 28-106.301(2), and subsection 67-52.002(3), F.A.C., and specify in detail each issue, score or ranking sought to be challenged.

(b) For any Application cycle closing after January 1, 2002, if the contested issue involves an error in scoring, the contested issue must (i) be one that could not have been cured pursuant to subsection 67-21.003(14), F.A.C., or (ii) be one that could have been cured, if the ability to cure was not solely within the Applicant's control. The contested issue cannot be one that was both curable and within the Applicant's sole control to cure. With regard to curable issues, a petitioner must prove that the contested issue was not feasibly curable within the time allowed for cures in subsection 67-21.003(6), F.A.C.

(c) The competing Applicant alleges facts in its petition sufficient to demonstrate that, but for the specifically identified threshold, scoring or ranking errors in the challenged Application, its Application would have been in the funding range at the time the Corporation provided the Applicant with its final ranking.

(d) If the petition does not raise a disputed issue of material fact, the appeal will be conducted pursuant to Section 120.57(2), F.S. If the petition raises one or more disputed issues of material fact, a formal administrative hearing will be conducted pursuant to Section 120.57(1), F.S. At the conclusion of any administrative hearing, a recommended order shall be entered which will then be considered by the Board of Directors.

(6) Any Applicant who wishes to challenge the findings and conclusions of the recommended order entered pursuant to a Section 120.57(2), F.S., proceeding as described in subsection (5) above concerning the final ranking of another Application, shall be allowed the opportunity to submit written arguments to the Board of Directors. Any written arguments should be typed and double-spaced with margins no less than one

inch in either Times New Roman 14-point or Courier New 12-point font and may not exceed five (5) pages, excluding the caption and certificate of service. Written arguments must be filed with Florida Housing Finance Corporation's Clerk at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, no later than 5:00 p.m., Eastern Time, no later than five (5) Calendar Days from the date of issuance of the recommended order. Failure to timely file a written argument shall constitute a waiver of the right to have a written argument considered by the Board of Directors. Parties will not be permitted to make oral presentations to the Board of Directors in response to recommended orders.

(7) For those Applicants that have filed a petition pursuant to subsection (5) above, the Corporation shall, if any such Applicant ultimately obtains a final order that demonstrates that its Application would have been in the funding range of the applicable final ranking, provide the requested allocation from the next available allocation, whether in the current year or a subsequent year. Nothing contained herein shall affect any applicable credit underwriting requirements. The filing of a petition pursuant to subsection (5) above shall not stay the Corporation's provision of funding to Applicants per the final rankings referenced in subsection (4) above.

(1) An invitation into Credit Underwriting shall require that the Applicant submit the Credit Underwriting and Appraisal Fee and information required to complete the Credit Underwriting, to the Credit Underwriter in accordance with the schedule established by the Corporation upon the recommendation of the Credit Underwriter. Failure to submit the Credit Underwriting and Appraisal Fee or meet the deadlines as set forth in the schedule shall result in the immediate termination of Credit Underwriting activities and the Application shall be moved to the bottom of the ranked list.

(2) The Credit Underwriter shall in Credit Underwriting analyze and verify all information in the Application, or any proposed changes made subsequent thereto, in

order to make a recommendation to the Board of Directors on the feasibility of the Development, without taking into account the willingness of a Credit Enhancer to provide Credit Enhancement. Credit Underwriting services shall include, for example, a comprehensive analysis of the Applicant, the real estate, the economics of the Development, the ability of the Applicant and the Development team to proceed, and the evidence of need for affordable housing in order to determine that the Development meets the MMRB Program requirements. The Credit Underwriter shall determine a recommended Bond amount that should be made to a Development, whether an initial loan or a refunding.

(a) If the Credit Underwriter determines that special expertise is required to review information submitted to the Credit Underwriter which is beyond the scope of normal underwriting procedures, the cost of such expertise shall be borne by the Applicant.

(b) The Credit Underwriter shall review the proposed financing structure to determine whether the MMRB Loan is feasible.

(c) In addition to operating expenses, the Credit Underwriter must include an estimate for replacement reserves when calculating the final net operating income available to service the debt. A minimum amount of \$250 per unit must be deposited annually in the replacement reserve account for all Developments. An Applicant may choose to fund a portion of the replacement reserves at closing from moneys other than the proceeds of the Bonds. This partial funding cannot exceed 50 percent of the required replacement reserves for two years and must be placed in escrow with the Bond Trustee at closing. Applicants with Credit Enhancement may employ a different replacement reserve structure with the Corporation's approval.

(d) The Corporation shall consider the following when determining the need for construction completion guarantees based on the recommendations of the Credit Underwriter:

1. Liquidity of any guarantee provider.
2. Applicant's, Developer's and General Contractor's history in successfully completing Developments of similar type.
3. The past performance of the Applicant, Developer, General Contractor, or management agent, in developing, constructing or managing Developments financed by the Corporation or its predecessor, including, by way of example and not limitation, nonpayment of fees and noncompliance with program requirements.
4. Percentage of the Corporation's funds utilized compared to Total Development Costs. At a minimum, the corporate general partner of the borrowing entity shall provide a personal guarantee for completion of construction. In addition, a letter of credit or payment and performance bond shall be required if the Corporation determines upon recommendation of the Credit Underwriter after evaluation of conditions in subparagraphs 1. through 3., above, that additional surety is needed.

(e) The Credit Underwriter shall review and make a recommendation to the Corporation whether the number of existing loans and construction commitments of the Applicant and its Principals will impede its ability to proceed with the successful development of each proposed Corporation Development.

(f) The Credit Underwriter shall consider the appraisal of the Development and other market study documentation to make a recommendation as to whether the market exists to support both the demographic and income restriction set-asides committed to within

the Application. The Credit Underwriter shall consider the market study and other documentation to make a recommendation of whether to approve or disapprove an allocation when the proposed Development would financially impair an existing Development previously funded by the Corporation.

(g) If the Credit Underwriter requires additional clarifying materials in the course of the underwriting process to complete the Credit Underwriting Report, the Credit Underwriter shall notify the Corporation and request the information from the Applicant. Such requested information shall be submitted within ten business days of receipt of the request therefor. Failure for any reason to submit required information on or before the specified deadline shall result in the Application being moved to the bottom of the ranked list.

(h) At a minimum, the Credit Underwriter shall require the following information during Credit Underwriting:

1. For Credit Enhancers, audited financial statements for their most recent fiscal year ended, if published; otherwise the previous year's audited statements will be provided until the current statements are published or Credit Underwriting is complete.

2. For guarantors, audited financial statements or financial statements compiled or reviewed by a licensed Certified Public Accountant for the most recent fiscal year ended, credit check, banking and trade references, and deposit verifications. If audited financial statements are not available, unaudited financial statements prepared within the last 90 days and reviewed by the Credit Underwriter in accordance with Part III, Sections 604 through 607, of the Fannie Mae Multifamily Delegated Underwriting and Servicing (DUS) Guide, effective November 6, 2003, which is incorporated by reference and

available on the Corporation's Website under the 2008 Universal Application link labeled Related Information and Links, and the two most recent years tax returns. If the entities are newly formed (less than 18 months in existence as of the date that credit underwriting information is requested), a copy of any and all tax returns with related supporting notes and schedules.

3. For the General Contractor, audited financial statements or financial statements compiled or reviewed by a licensed Certified Public Accountant for the most recent fiscal year ended, credit check, banking and trade references, and deposit verifications. The audited or compiled statements may be waived if a payment and performance bond equal to 100 percent of the total construction cost is issued in the name of the General Contractor by a company rated at least "A-" by AMBest & Co.

4. For the Applicant and General Partner, audited financial statements or financial statements compiled or reviewed by a licensed Certified Public Accountant for the most recent fiscal year ended, credit check, banking and trade references, and deposit verifications. If the entities are newly formed (less than 18 months in existence as of the date that Credit Underwriting information is requested), a copy of any and all tax returns with related supporting notes and schedules.

(i) The Credit Underwriter shall require an operating deficit guarantee. The operating deficit guarantee will be released when the Development achieves a minimum 1.10 debt service coverage ratio on the MMRB Loan and 90 percent occupancy and 90 percent of the gross potential rental income, all for six consecutive months as certified by an independent Certified Public Accountant, and verified by the Credit Underwriter.

(j) The Credit Underwriter shall also require environmental indemnity and recourse obligation guarantees.

(k) Required appraisals, market studies, pre-construction analyses, physical needs assessments, and environmental studies (other than Phase I Environmental Site Assessments) shall be completed by professionals approved by the Credit Underwriter. Approval of appraisers and contractors to complete market and environmental studies shall be based upon review of qualifications, professional designations held, references and prior experience with similar types of Developments.

(l) A full or self-contained appraisal as defined by the Uniform Standards of Professional Appraisal Practice, which is adopted and incorporated herein by reference, and a separate market study shall be ordered by the Credit Underwriter from an appraiser qualified for the geographic area and product type not later than when an Application enters Credit Underwriting. The Credit Underwriter shall review the appraisals to properly evaluate the MMRB Loan request in relation to the property value.

(m) Appraisals and separate market studies which have been ordered and submitted by third party Credit Enhancers or syndicators and which meet the above requirements and are acceptable to the Credit Underwriter may be used instead of the appraisal or market study referenced above.

(n) The Credit Underwriting Report shall include a thorough analysis of the proposed Development and a statement as to whether a MMRB Loan is recommended, and if so, the amount recommended. The Credit Underwriter or the Corporation may request such additional information as is necessary to properly analyze the credit risk being presented to the Corporation and the Bond holders.

(3) The Applicant shall review and provide written comments on the draft Credit Underwriting Report to the Corporation and the Credit Underwriter within the time frame established by the Corporation. The Corporation shall provide comments on the draft report and, as applicable, on the Applicant's comments to the Credit Underwriter. The Credit Underwriter shall then review and incorporate the Corporation's and, if deemed appropriate, the Applicant's comments and release the revised report to the Corporation and the Applicant. Any additional comments from the Applicant shall be received by the Corporation and the Credit Underwriter within the established time frame. Then, the Credit Underwriter shall provide a final report, which shall address comments made by the Applicant to the Corporation.

(4) After approval by the Board of Directors following presentation of the Credit Underwriting Report and payment of one-half of the Good Faith Deposit, Corporation staff and Special Counsel shall begin negotiations of the MMRB Loan Commitment with the Applicant.

(5) At a minimum, a 10 percent retainage will be held by the Trustee or the servicer administering the construction loan funds until the Development is 50 percent complete. At 50 percent completion, no additional retainage will be held from the remaining draws. The total retainage dollars will be held by the Trustee or the servicer and released pursuant to the terms of the construction loan agreement.
